

DESTINATION DOOR COUNTY ELECTRIC VEHICLE CHARGER MINI-GRANT 2023 PROGRAM GUIDE

Go green with Destination Door County! Electric Vehicle Charger Mini-Grants are available to help offset costs in continuing to enhance the county's electric vehicle infrastructure in order to better meet the needs of today's traveler.

Mini-Grant Award: **\$1000**

Eligibility

- The EV Charger Mini-Grant Program is open to any business, organization, or government entity located within Door County wishing to add a new Electric Vehicle Charging Station, add an additional EV Charging Head, or upgrade their existing EV Charger to Level 2 or Level 3.
- EV Charger must be available for public use. Residential or private-use applications will not be considered.

Program Details and Application

- Applications will be processed online only.
- Applications will be processed on a first-come, first-serve basis with a quarterly award limit.
